Dr. R. A. Falconer,
Toronto Univ.

Dear Dr Falconer:

At a meeting of the High School history teachers of Toronto, held a few days ago in Jarvis St. Collegiate Institute, some concern was expressed as to the nature of the papers in Mediaeval and Modern History to be set for the Honor Matriculation and Faculty Entrance examinations next June, and Miss Spence of Parkdale C. I. and myself were appointed a committee to interview you, as chairman of the Matriculation Board, about the matter. We have an appointment with Dr. Seath for 11 o'clock Saturday morning, and we should be pleased if you could make it convenient to see us that same morning, preferably before 11 o'clock. Kindly let me have your answer by telephone

Yours very truly,
Geo. M. Jones.
